

ADJUNCT (PART-TIME) AVIATION INSTRUCTOR POOL (Albertville, Andalusia, Decatur, Mobile, Ozark)

I. Minimum Qualifications:

Specialized course work equivalent to the junior or technical college program. Significant basic electronics teaching experience in lieu of aviation experience will be considered.

A. Aviation Maintenance Technology Instructor

Associate degree, from a regionally accredited institution, and three (3) years' full-time work experience in the field. FAA Airframe and Powerplant Mechanic certification,

B. Avionics Technology Instructor

Bachelor degree, from a regionally accredited institution, and three (3) years' full-time work experience in the field. Must hold FCC General Radiotelephone certificate.

II. Course Days/Times

Courses are available Monday thru Friday at a variety of times, during the day and evening, on our campuses and site locations. SEE ATTACHED JOB DESCRIPTION.

Term Length

Fall/Spring Semester - approximately 15 weeks.

Summer Semester - approximately 10 weeks

III. Salary

\$23.54 per contact hour

IV. Application Procedure

If you are interested in being considered for the teaching pool, please send the following to Angel Lynk, Human Resource Coordinator, Enterprise State Community College, P.O. Box 1300, Enterprise, Alabama 36331:

- A. A cover letter stating the subject you wish to teach, days and times available, and campus or campuses where you'd like to teach (Albertville, Andalusia, Decatur, Mobile, or Ozark).
- B. Employment application (request at (334)347-2623, ext. 2222 or go to www.escc.edu)
- C. A current resume
- D. A copy of transcript(s) verifying degree. Copies of certification and/or license. Verification of 3 years of full time work experience. If hired, official transcripts from all institutions are required..

Upon receipt of all items listed above, your file will be evaluated by the Dean of Instruction and you will be notified of the results. The Director of Aviation Center, Ozark Campus, will serve as your point of contact and will notify you as positions become available.

Enterprise State Community College is an equal opportunity employer. It is the official policy of the Alabama Department of Postsecondary Education, including postsecondary institutions under the control of the State Board of Education, that no person shall, on the grounds of race, color, handicap, gender, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment. Enterprise State Community College will make reasonable accommodations for qualified disabled applicants or employees.
