I plan to finish my studies at EOCC at the end of the (circle one): FALL SPRING SUMMER term, 20 _____

ANNUAL SUBSIDIZED FEDERAL STAFFORD LOAN LIMITS AT EOCC

Freshman (0-32 hours completed) **\$3,500.00** per academic year
Sophomore (33-64 hours completed) **\$4,500.00** per academic year

I want to borrow a total of \$ _____ for the 2009-2010 award year at EOCC, and I want the loan to be distributed over the following terms (please circle your choice/s):

Fall 2009 Spring 2010 Summer 2010

I understand that the total amount borrowed for the year will be equally divided between the Fall and Spring terms unless I specify otherwise. I also understand that if I borrow for a single term, my loan will be disbursed in two equal payments (one at the beginning and one at the midpoint of the term).

I understand that it is my responsibility to research individual lenders and their borrower benefits, and to identify the lender I want to process my loan. Enterprise-Ozark Community College receives no expressed or implied benefits from lenders, does not recommend individual lenders, and does not provide a list of "approved" or "preferred" lenders. For speed of processing and for student convenience only, EOCC does recommend that students borrow from lenders affiliated with KHEAA, the Kentucky Higher Education Assistance Authority.

If you are a first-time borrower at EOCC, you must complete an on-line student loan entrance interview by visiting the KHEAA web site at <https://ww2.kheaa.com/entintro.html> before EOCC will process your student loan application. Please contact the EOCC Financial Aid Office at 334.347.2623 extension 2214 immediately if you have any questions or concerns about anything you read or received as a result of your entrance counseling session. Our office is located in the L. B. Wallace Student Center Building, Room 102, on the EOCC campus in Enterprise, Alabama.

I hereby certify that all the information pertaining to my application for federal student financial aid, including this loan, is true and complete to the best of my knowledge.
