

YOUTH COLLEGE 2010

June 21-24, 2010

1:30-4:30, Monday-Thursday

Registration Deadline: June 15, 2010, 4:30 p.m.

Each course has a \$25 registration fee and is limited to 10-25 students. Some classes also have additional supply fees which are explained at the time of registration. Registration fees are due at the time of registration; supply fees are paid directly to the instructor on the first day of classes. No registrations will be taken over the telephone, and you MUST have your child's social security number in order to register him/her for classes. A student may register for a maximum number of three classes. If a student registers for three classes, he/she will receive a free Youth College T-shirt. Grade levels refer to the grade the child will enter in the fall of 2010.

Registration begins at 8:00 a.m. on Monday, May 17. For more information call (334) 598-3438 or (334) 347-2623, ext. 2241.

ARTS AND CRAFTS

KIDS-R-CRAFTY offers young artists (both boys and girls) the opportunity to manufacture lots of fun and interesting crafts with a variety of materials. All projects will be brand new! The instructor is Ms. Carrie Thomas. Grades 2, 3, 4, 5, 6, 7, 8

WORKING WITH CLAY shapes your imagination as you work with shaping clay. Students will complete at least one project and will learn the techniques of making hand-built pottery. The instructor is Mr. David Plunkett. Grades 2, 3, 4, 5, 6, 7, 8

SCRAPBOOKING is designed for kids with little or no previous scrapbooking experience. Come learn how to make your own embellishments and pick up other useful tips and techniques. Bring your pictures to class! The instructor is Ms. Amy Manfra. Grades 2, 3, 4, 5, 6, 7, 8

CARTOON CONSTRUCTION is an art class where students learn the secrets of cartoon creation. Drawing people, animals, and caricatures has never been so easy! The instructor is Mr. Jerry Byrd. Grades 2, 3, 4, 5, 6, 7, 8

JUST FOR FUN

ABRACADABRA is an introduction for beginners' magic and sleight-of-hand and taught by a professional magician. Learn the use of cards, coins, ropes, and other everyday objects to perform magic. Marvel your friends and family with the techniques you learn in this fun-filled class. The instructor is Mr. Peter Barber (Bob the Magician). Grades 2, 3, 4, 5, 6, 7, 8

CLOWN COLLEGE invites you to come learn how to clown around with Giggles the Clown. Clown College is here to teach you the funny art of clowning. The course will focus on character development, balloon art, face painting, and performing techniques. You will learn how to bring out your inner clown. The instructor is Ms. Danielle O'Donnell. Grades 2, 3, 4, 5, 6, 7, 8

MODEL RAMMA teaches you how to look good without looking made-up. This is a fun class for girls that will include lessons on basic skin care, nail care, subtle makeup application, and fun ways to do hair. The instructor is Ms. Cyndi Farley. Grades 2, 3, 4, 5, 6, 7, 8

MAD HATTER'S TEA PARTY takes you through the looking glass, and the first thing you will notice is that time seems to stand still. With a permanent party going on here, guests will have lots of fun wearing mismatched clothes and shoes and decorating their own crazy hats to wear each day. The rules of etiquette always apply. Kids are encouraged to get creative in this class. The instructor is Ms. June Snellgrove. Grades 2, 3, 4, 5, 6, 7, 8

3-D HAND & FOOT MOLDING Create molds of your fingers, hands, and feet, and then cast them with plaster of paris to make great "sculptures" and keepsakes. Students should wear or bring old clothes or a large t-shirt for this messy but fun-filled class. The instructor is Ms. LyDonna Farris. Grades 2, 3, 4, 5, 6, 7, 8

MUSIC AND DANCE

GIRLS AND GUYS ON BROADWAY offers you an exciting and fast-paced musical week. Learn to **sing** and **dance** and then show off for family and friends in a grand finale on the last afternoon of Youth College. The instructor is Ms. Lia Rester. Grades 2, 3, 4, 5, 6, 7, 8

LET THE BAND PLAY ON! takes you from harps and horns to guitars and glockenspiels as you are introduced to the wonderful world of musical instruments and what it takes to become a musician. The instructor is Ms. Angie Eaton. Grades 2, 3, 4, 5, 6, 7, 8

SO YOU THINK YOU CAN DANCE? if you are a beginning or experienced dancer, you will have a blast learning and performing choreography in this dance class. Parents and friends are invited to attend a *body rockin'* performance on the last afternoon of Youth College. The instructor is Ms. Suzanna Stokes. Grades 2, 3, 4, 5, 6, 7, 8

PHYSICAL ACTIVITIES

SET UP TO VOLLEYBALL is designed to teach the fundamentals of volleyball—passing, setting, spiking, blocking, and serving. Students will enjoy learning the skills that will be used in both game and tournament play. The instructor is Ms. Kevie Ayers. Grades 4, 5, 6, 7, 8

TIP OFF TO BASKETBALL teaches the basics of basketball to both boys and girls. You will learn the rules and how to play a regulation game. The instructor is Mr. John Ayers. Grades 4, 5, 6, 7, 8

BASEBALL ACADEMY welcomes you even if you don't eat, breathe, and sleep baseball yet. You will get the opportunity to "throw" yourself into this great American pastime, as well as make new friends—both on and off the field. Students will be provided with a fun baseball experience, learning the rules, and understanding how to play a regulation game. The instructor is Mr. Will Hulsey. Grades 2, 3, 4, 5, 6, 7, 8

SOFTBALL CAMP welcomes you if you are curious about the game or would like to find out how to improve your skills. All "campers" will be able to play softball each day, learn to improve their skills, and above all else, make new friends. The instructor is TBA. Grades 2, 3, 4, 5, 6, 7, 8

KARATE is an exciting class where students will learn self-defense techniques and understand the importance of self-discipline. The instructor is Mr. Jimmy Cole. Grades 2, 3, 4, 5, 6, 7, 8

SCIENCE

SPACE CADETS are welcomed aboard the starship "Constellation!" Strap yourself in for a great ride to the moon, Milky Way, and beyond. Journey to the heart of our solar system and explore the sun, set a course for the other planets and their moons, and then travel out past our galaxy to discover just how much SPACE there really is in space. Astronomy has never been so much fun! The instructor is Mr. Russell Davenport. Grades 2, 3, 4, 5, 6, 7, 8

WEIRD SCIENCE offers four fun-filled classes of science fun. Each day a different scientific principle will be investigated with lots of hands-on labs and challenging activities. The instructor is Ms. Carlise Ford. Grades 2, 3, 4, 5, 6, 7, 8

3-2-1 BLASTOFF! shows you how to make your own rocket. You'll fire its engine and launch it on the last day of Youth College. It will be fun to see which rocket flies the longest distance. The instructor is Ms. Julie Norris. Grades 2, 3, 4, 5, 6, 7, 8

TECHNICAL EDUCATION

RESCUE HEROES offers students the opportunity to learn about the exciting work of emergency personnel and the training that these professionals must go through. See if you have what it takes to become a rescue hero. The instructor is Ms. Melissa Hutto. Grades 2, 3, 4, 5, 6, 7, 8

CAMERA MAGIC presents picture-taking tips and developing photo projects using digital images. You must have a digital camera to participate in this class. The instructor is Ms. Cindy Yeomans. Grades 2, 3, 4, 5, 6, 7, 8

READY, SET, ACTION! Do you think you have what it takes to become a commercial actor? Learn what goes on in front of and behind the camera on a commercial shoot, and become familiar with auditions, casting, and special techniques to improve confidence on-stage. Students will learn what it is like to become commercial actors and will get the opportunity to perform in the very own "commercial" at the end of Youth College. The instructor is Ms. Angie Mock. Grades 2, 3, 4, 5, 6, 7, 8
