You'll be glad you did!**

**Alabama's Career Readiness Certificate (CRC) Available Through ESCC**

The CRC is an assessment-based credential with a foundation on ACT's WorkKeys that gives employers and career seekers a uniform measure of key workplace skills. A Career Readiness Certificate allows you to show prospective (and current) employers that you possess the basic skills they are looking for and are common in today's workplace, such as finding information, reading instructions and directions, and working with figures. Free training for the CRC is available to adult education students! Enroll now to earn your CRC at Enterprise State Community College.
