Enterprise State Community College
and
Enterprise State Community College Foundation
Scholarship Application

Enterprise State Community College and the ESCC Foundation offer a variety of scholarships to recognize students for their academic performance, career interests, and their participation in athletics, leadership, and performing arts. The scholarships are open to students entering the College from high school as well as to those who are continuing or returning to college.

Scholarships are awarded on a competitive basis. **It is the applicant's responsibility to ensure that all application materials are received by the deadline in order to be considered for the current year's competition.** Students who accumulate more than 40 semester or 60 quarter hours of credit toward an associate degree or certificate will not be considered for scholarships.

All scholarship applicants must provide the following:

1. Completed ESCC admissions application
2. Completed scholarship application
3. Apply for federal student aid and enter the **expected family contribution** (EFC) amount on the scholarship application. To apply for financial aid, go to www.fafsa.gov and complete a Free Application for Federal Student Aid (FAFSA). The ESCC Federal School code is 001015.
4. Official high school transcript if currently enrolled in high school
5. Official transcript from each college or university attended if you are a transfer student
6. Some Scholarships have Special Requirements (see Scholarship Descriptions). It is the applicant's responsibility to insure that any special materials are submitted with the application.

All scholarship applicants are encouraged to provide ACT or SAT scores. Students entering ESCC the fall semester after high school graduation are especially encouraged to take the ACT or SAT test and to report their composite scores. These scores are proven indicators of academic potential, and are frequently used by the Scholarship Committee in making academic award decisions.
