

2019-2020 Satisfactory Academic Progress (SAP) Appeal

Federal regulations require Enterprise State Community College to determine whether a student is maintaining Satisfactory Academic Progress (SAP) in his or her chosen degree plan. Students whose aid has been denied because they have not met the requirements of the ESCC SAP Policy are offered the opportunity to complete the ESCC Financial Aid appeal process.

In some cases, a student's failure to meet SAP requirements is due to events beyond the student's control. If there are documentable circumstances for the term(s) when the student's deficiencies occurred, the student may submit this completed appeal form and provide a written statement and documentation as noted below.
